

# The Book of James (Study)

## Week 4

James 4 addresses the dangers of **worldly desires, pride, and self-sufficiency** while calling believers to **humility, submission to God, and dependence on His will**. James warns that quarrels come from selfish desires, emphasizes the need to **draw near to God**, and reminds us that boasting about tomorrow is foolish because life is fleeting. A true relationship with God is marked by humility, repentance, and trust in His plans.

- **Read:** James 4:1-3

  - How do selfish desires affect your relationship with others and with God?
